

Dear ACEI World Conference Attendees,

Thank you for your patience in waiting to receive additional information about the conference. There were some last minute details that needed clarification so we very much appreciate your patience. We hope to keep information appropriately updated from this point forward.

I am pleased that you have decided to travel to Moscow and take part in the ACEI World Conference June 18 – 22, 2008. Most importantly, this is an opportunity to expand your knowledge of international education by engaging in stimulating educational sessions with colleagues from around the world. A full conference program of educational content sessions will be posted by mid April. Of course, the conference also includes many opportunities for you to tour interesting historical and cultural sites so we also hope that you will take the opportunity to sign up for daily tours which are being provided to you at minimal additional charges through special arrangements. Please use the TOUR SIGN UP SHEET to indicate which tours you will be engaging in. The tour company needs this information from you by April 21st.

Finally, please be aware that traveling in this region requires a degree of flexibility. There may be moments where small unavoidable changes may need to be made to the program or to the touring arrangements. We, of course, will do all we can to assist you but we ask that you approach this opportunity to visit Russia with patience, understanding and sense of adventure. Your ACEI Moscow hosts will also be available to assist you once you arrive in Russia.

Additionally, please be aware that there is a post conference trip that has been planned to St Petersburg June 22-24. This is an optional opportunity for you to see more of Russia should you select to add this trip to your agenda. If you select to do this please make sure you indicate this clearly on your tour sign up sheet!

Since visas need to be acquired very soon please make sure that you read all the information that has been most recently posted to this site. I look forward to supporting you as you engage in this exciting educational journey!

Sincerely,
Diane P. Whitehead
ACEI Acting Executive Director
